Delegate,

State Convention is only a few weeks away! Here's some information on what to expect at State Convention on Saturday, July 13.

State Delegates are the only people eligible to vote at State Convention. Delegates will vote on:

1. National Convention District Delegates
2. Candidates up for nomination: Attorney General and Lieutenant Governor
3. Representation to State Convention Committees (Credentials, Resolutions and Rules)
4. The 2024 Indiana Democratic Party Platform

State Convention is open to guests and the press, but both must be registered prior to Convention Day (Saturday, July 13). There is limited availability for guests, and more information on guest registration will come soon.

There are four types of delegates:

1. Automatic: Members of the State Central Committee, District Secretaries and Treasurers as of Nov. 15, 2023. And County Chairs, Vice Chairs, Secretaries and Treasurers.
2. Elected: Elected at the May 7, 2024 Primary election.
3. Appointed: Appointed by a county chair due to vacancies on the primary ballot.

4. Alternate: An alternate may attend the Convention but will only vote if a delegate cannot attend or is not present during voting.

While there will be activities on Friday, including the Hoosier Hospitality Dinner, to round out “Big Dem Weekend 2024,” the main commitments of a delegate will start with credentialing between 7:00-9:30 AM EDT on the day of Convention, Saturday July 13, and ends late afternoon or early evening depending on how long general session lasts.

The schedule has not been finalized but the major activities of the day are:

- Credentialing starting at 7 AM EDT
- District Meetings starting at 9:30 AM
 - National Convention District Delegates will be voted on during these meetings
- Lunch (on your own)
- Constituency Caucus and Standing Committee Meetings starting at 1:30 PM
 - The Standing Committees are: Rules, Resolutions, and Credentials.
- General Session starting at 3:00 PM
 - Attorney General and Lieutenant Governor candidates will be voted on
